

India's Hospitality Champions 2024

Conference & Awards

Location - Mumbai Venue - Sahara Star Hotel April 25, 2024

- In recent years, the hospitality industry has been increasingly challenged to rethink its practices in the face of pressing environmental and social concerns. As travelers become more conscious of their impact on the planet and communities, the demand for sustainable hospitality experiences is on the rise.
- To address these challenges and opportunities, we are proud to announce the inaugural conference on "Sustainable Horizons: Charting the Future of Hospitality."

Objective

The primary objective of the conference is to bring together key stakeholders from the hospitality industry, including hoteliers, restaurateurs, tourism professionals, policymakers, academics, and sustainability experts, to explore innovative solutions and best practices for advancing sustainability in hospitality operations.

Audience

The conference is designed for professionals working in the hospitality industry, including hotel managers, restaurant owners, chefs, sustainability officers, tourism board representatives, government officials, and researchers. It welcomes attendees from around the world who are committed to driving positive change and shaping the future of sustainable hospitality.

CONFERENCE THEMES

Environmental

Sustainability: This theme will focus on strategies for reducing carbon footprint, conserving natural resources, and implementing renewable energy solutions within hospitality establishments.

Social Responsibility:

Discussions under this theme will delve into initiatives aimed at promoting social inclusion, supporting local communities, and enhancing the well-being of employees and guests.

Circular Economy:

Participants will explore the concept of a circular economy in hospitality, examining ways to minimize waste, promote recycling and upcycling, and adopt circular business models.

CONFERENCE THEMES

Technology and Innovation:

This theme will showcase technological innovations and digital solutions that are driving sustainability in the hospitality industry, from smart energy management systems to blockchain-enabled supply chain transparency.

Culinary Sustainability:

Discussions will revolve around sustainable food sourcing, ethical dining practices, plant-based menus, and reducing food waste in hospitality operations.

Policy and Regulation:

Participants will analyze the role of government policies, industry standards, and certification programs in promoting sustainability in the hospitality sector and discuss opportunities for collaboration and advocacy.

Format

The conference will feature a mix of keynote presentations, panel discussions, case studies and networking sessions. Participants will have the opportunity to engage with leading experts, share insights, and collaborate on innovative solutions to common challenges.

Outcome

By the end of the conference, participants will gain a deeper understanding of the latest trends, best practices, and innovative approaches sustainable to hospitality. They will leave equipped inspired and with practical strategies to integrate sustainability into their own operations, contributing to a more resilient, responsible, and vibrant hospitality industry.

Conclusion

"Sustainable Horizons: Charting the Future of Hospitality" promises to be a thought-provoking and inspiring gathering that will catalyze action and collaboration towards a more sustainable future for the hospitality industry. We invite you to join us on this transformative journey as we navigate the path to sustainable horizons together. The conference would culminate in Hospitality Excellence Awards. This would be a platform to recognize 40-50 most promising brands and professionals from the Hospitality Industry in India.
