Asia Business Conclave 2024

(Conference & Awards)

The Asia Business Conclave 2024 will be a one-day event held at **The Singapore Expo, Singapore on January 31, 2024**. The event will bring together business leaders, government officials, and academics from across Asia to discuss the most pressing issues facing the region's economy. The program for the event will include a keynote address from a prominent business leader, a panel discussion on the future of work in Asia, and a series of breakout sessions on topics such as **innovation, sustainability, and entrepreneurship**.

Parties @ Asia Business Conclave 2024

01

CEOs and other senior executives from multinational and regional companies

02

Government ministers and other senior government officials

03

Professors and researchers from leading universities

04

Venture capitalists and other investors

05

Entrepreneurs and startup founders

The conference will bring together business, industry and policy leaders from Singapore, India and other Asian countries to discuss the next wave of India's growth as an economy and a nation.

Why Asia Business Conclave & Awards @ Singapore?

Singapore is famous for being a global financial center, being among the most densely populated places in the world, having a world-class city airport with a waterfall, and a Botanic Garden that is a World Heritage Site. India and Singapore have a robust trade relationship, with bilateral trade reaching USD 30.11 billion for fiscal year 2021-22. The two countries also have favorable investment relations, with Singapore being the second-largest investor in India, having invested USD 140.99 billion in India since April 2000.

About the Conference

The event would consist of panel discussion, individual speaking opportunities, networking meet and award ceremony. The theme of the conference is around - how to enable Business Growth. Some of the Conference topics are as below:

Bilateral Trade Opportunities

Exploring current and potential avenues for trade between Singapore and India, including sectors like technology, manufacturing, finance, and services.

Investment Landscape

Discussing investment trends, opportunities, and challenges for businesses looking to invest in either country or establish joint ventures.

Digital Transformation

Exploring how both countries are leveraging technology and innovation to drive growth, enhance competitiveness, and foster digital partnerships.

Sustainable Business Practices

Highlighting initiatives and opportunities for sustainable and socially responsible business practices in Singapore and India.
